The figure shows four 4x4 grids, each with a different pattern of shapes. The first grid is green and contains 16 yellow stars. The second grid is blue and contains 16 small blue dots. The third grid is red and contains four black spiral patterns. The fourth grid is yellow and contains 16 small yellow circles.

A 6x6 grid world environment. The top row contains a mountain, two bushes, a mountain, a bush, and a pink square with flowers. The second row has a blue river, a grey square with a mountain, a green square, a mountain, and a grey square with a mountain. The third row consists of five bushes. The fourth row has a bush, a blue river, a bush, a bush, and a bush. The fifth row features a bush, a bush, a grey square with a mountain, a blue rabbit, and a bush. The bottom row shows a red tent, three bushes, and two bushes. A thick black path starts from the right edge of the top row, moves left through the top-right corner, then down and left through several squares, ending at the red tent in the bottom-left corner.
